OUR MISSION

Ronald McDonald House Charities of Central Illinois provides a supportive place for families to stay while their child is receiving medical care, and supports programs that directly improve the health and well-being of children.

of Central Illinois

KEEPING FAMILIES CLOSE

The Springfield and Peoria Houses are owned and operated by Ronald McDonald House Charities of Central Illinois (RMHCCI), a local non-profit organization with headquarters in Springfield. RMHCCI operates through a small paid staff and an all-volunteer Board of Directors consisting of local health professionals, McDonald's Owner/Operators and community business and civic leaders. Without RMHC, many families will not have a place to stay while their child is receiving medical care. Anticipated growth of the medical community makes this even more important, with over 90% of children's hospitals in the US partnering with our charity.

RMHCCI HISTORY

- 1984** Construction on Springfield House began
- 1985** Kids At Heart officially established
- 1986** Springfield House officially opened on February 15
- 1993** Kids At Heart and the Ronald McDonald House merge to become RMHCCI
- 2001** Springfield House completes a 4,470 square foot remodel
- 2011** RMHCCI celebrates 25 year anniversary
- 2014** Labor of Love Expansion & Renovation Project
- 2016** 5 Year Strategic Plan passes with goal to add Peoria House
- 2018** Peoria House \$8.8M Capital Campaign goal set - 80% of funds raised plus additional \$1.5M
- 2019** Peoria House welcomes its first families.

Thank You, McDonald's!

As an independent non-profit 501(c)(3) corporation, we extend a special thank you to McDonald's, our Mission Partner and largest corporate donor.

Portions of the annual operating costs for our Ronald McDonald Houses are graciously funded by Owner/Operators of local McDonald's restaurants through in-store campaigns. The remainder of our annual operating income comes from the generosity of individual, non-profit, memorial, and corporate donors.

We would like to personally thank our McDonald's Owner/Operators of Greater Central Illinois and Peoria/Bloomington for all the support they have given RMHCCI in the past, present and future!

More specifically, McDonald's Owner/Operators support us through:

- Conducting the annual Give a Little Love fundraiser each February
- Partnering with us for promotional and fundraising events
- Serving on our Board of Directors
- Hosting RMHCCI donation boxes in their restaurants
- Donating in-restaurant sales of USA Today and local newspapers
- Conducting the National RMHC® fundraiser

Although McDonald's is our largest corporate donor, no company can solely fund RMHCCI programs and our projected growth. We need the support of the entire community and greatly value any support you can provide to RMHCCI - whether it's through cash donations, your time, or other fundraising efforts.

“They even had a toothbrush and toothpaste for us, which was nice since we had left home in such a rush!”

Emma's Parents

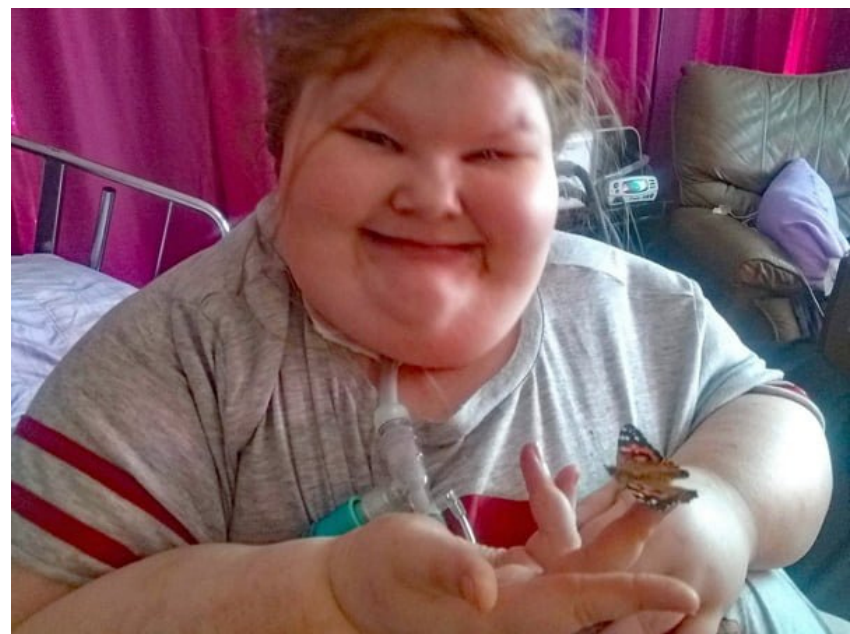

Meet Emma

Emma was born in 2007, with a rare genetic disorder called Prader-Willi syndrome. Prader-Willi is a complex genetic condition that affects many parts of the body. For many years, Emma was doing well and her parents and family had managed the syndrome with few issues.

However, in early 2020, her parents, who live in Danville, IL, noticed some changes, and Emma was rushed to the emergency room. After an examination, doctors decided that Emma needed to be transferred to OSF Children's Hospital of Illinois in Peoria, IL, which is about 2 hours from their home.

When they arrived at OSF Children's Hospital of Illinois, Emma's parents learned that she was in heart failure and needed to be put in a medically induced coma. At this time, Emma's life was hanging in the balance, and as her mom Chasity, explained, her condition changed minute to minute.

One of Emma's nurses told Chasity about the Peoria Ronald McDonald House. After a short application process, Chasity was relieved to learn that they had a room to stay in at the House while Emma recovered. Instead of staying in the cramped PICU room, with a glass sliding door, Chasity and her family had a private suite where they could rest and recharge, without being far from Emma. As Chasity explained, the staff and volunteers at the Peoria House “think of everything and help you however they can.”

2021 Financial Summary

RMHCCI PROGRAMS

Springfield & Peoria Ronald McDonald Houses

The Springfield Ronald McDonald House, opened on February 15, 1986, serves families of children ages 0-21 (through their 22nd birthday) receiving medical care at any medical facility (inpatient or outpatient) in Springfield. The Peoria Ronald McDonald House officially opened on December 16, 2019. Both Houses have a fully equipped kitchen, living and dining common areas, laundry rooms, and a total of 38 bedrooms (16 in Springfield and 22 in Peoria) - each with a private bath and other amenities. A large pantry stocked with food is available to guests at no charge, plus access to their own food storage.

Important 2021 Stats

RMHCCI provided 7,998 nights of stay in 2021 to families, serving 350 families as overnight guests between January 1 and December 31, 2021.
